

Ownership is one of the many benefits of being a member at State Employees Credit Union!

Credit union members are special because they are more than just "customers" - they own the credit union. We work for you instead of a group of stockholders. As a result you can expect lower and fewer fees, more competitive interest rates, and better personal service than you would expect from most financial institutions. In addition, once you're a member you're always a member! Below is a list of some of the services we offer:

- Savings programs including retirement plans
- Checking Account
- Vehicle Loans
- First Mortgage and Home Equity Loans
- Visa Classic and Gold cards
- ATM Card access at Cirrus ATMs
- 24 hour, 7 day Touchtone Phone service
- Financial Consulting
- Auto Locator - New and used vehicle purchasing

To become a member, just call or visit either office, and we'll help you set up your account. Another great thing about being a credit union member - once you join, your entire family is eligible for membership
