How to Save Hundreds of Dollars Every Year on Your Car Insurance!

\$270.00 average savings!

In our most recent customer survey, Nationwide policyholders reported average savings of \$270 each.*

Here's money-saving news! Your association has endorsed Nationwide Insurance for your auto insurance needs...because they've found that we offer rates that are often hundreds of dollars lower than you may be paying now.

What's our secret?

- You save by buying your coverage direct, by mail or phone, which lowers our sales costs.
- You save even more because we only insure careful drivers, and that lowers our claims rates.
- You save still more because we've found that public employees tend to be reliable, and get into fewer accidents than other people.

It could add up to hundreds of dollars in savings on your auto insurance premiums, every single year!

Plus, ADDED SAVINGS with these special discounts!

Nationwide also offers other ways to save, with these special discounts:

- **Mature Driver Discount.** If you're 50 or over, you get an additional discount.
- **Special Annual Mileage Rates.** Nationwide gives another discount to drivers who keep their driving miles down.
- **Home/Car Discount.** You'll get an extra 10% savings off your Nationwide auto policy if you're a homeowner and you insure your home with us as well.
- **Loyal Customer Discount.** Nationwide rewards policyholders with a 2% discount after 2 years and a 5% discount after 5 years.
- **Good Student Discount.** Good students in your family get a price break that will save you even more.

Convenient automatic monthly payments.

To help your budget, Nationwide also offers Electronic Funds Transfer. Each month, payments are deducted automatically from your checking account. You won't be hit by a big bill and you may avoid a lapse in coverage.

Plus, "A-1" Coverage, Service and Claims Handling.

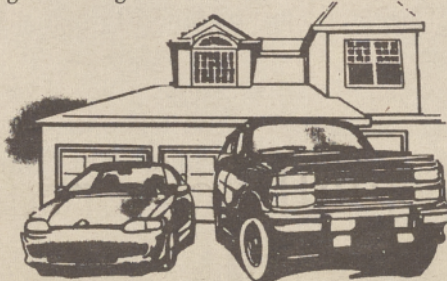

Best of all, you don't have to sacrifice anything when you switch your auto coverage to Nationwide. In most cases, we can give you the same coverage you have now...sometimes better!

For over 67 years Nationwide has earned an outstanding reputation for fast, friendly customer service and satisfaction with folks all across the United States.

And, we offer about the best claims processing around. With our "Live Wire" Claims Service, you'll always reach one of our helpful representatives. Most claims are paid within 48 hours after the cost of repairs is agreed on, too!

Two cars? You could save EVEN MORE!

If you drive two cars you may save considerably more. Nationwide offers its policyholders a generous, multi-vehicle discount ON TOP of the regular savings for each vehicle.
