General Council

ODOT Local 730 is looking for delegates and alternates to the 2002 SEIU General Council. As you may know, General Council is the highest governing body in SEIU Local 503, OPEU, so being a delegate is a serious role. If you are interested in serving as a delegate or alternate to the upcoming General Council, please contact Local 730 President, Bruce Nobles (541-377-6229), or ODOT Statewide Coordinator, Chuck Wynns (800-542-2146 ext 143).

ODOT Local 730 Auxiliary

ODOT Local 730 is in the process of starting up an auxiliary chapter for families of ODOT members. The auxiliary chapter is based on the premise that a union becomes much stronger when the families are involved in union activities. There is a precedent too for auxiliaries. In 1984, the wives and families of the coal miners largely carried out the British Coal Miners strike. Members or family members who are interested in helping with the Auxiliary should contact Bob or Carol Biddle of the SEIU Local 503 Retirees Local. Bob and Carol can be reached at (541) 276-7220.

Statewide ODOT Local 730 Meeting

We held an ODOT statewide meeting in Newport on October 12-13. Because this meeting was such a success, we are planning a statewide follow-up meeting for spring 2002. Stay tuned for further details.
