Governor Forum Slated for December 2, 2001

*We're all about health care and quality public services...
and we need a Governor who supports us!*

Join with other members to advance working-family issues!

- Ask candidates for Governor to address worker issues.
- See where the candidates stand on a wide range of issues for all Oregonians.
- Have input on who we endorse as a Union in this important election.
- You'll help choose who will establish the budget that directly determines our state programs, wages and benefits, and funds local governments and non-profits.

We will have a statewide interactive videoconference of the forum where members can ask questions of the candidates. The forum is scheduled for Sunday, December 2 from 2pm-5pm in the following cities:

Salem – Portland – Eugene – Bend – Pendleton – Medford – Coos Bay

SEIU members from across the state can participate in the endorsement. **Seating is limited, so to attend or get more information, contact your steward or organizer.**
