

How to use this chart:

As we move through the end of the year and into 2008, we are looking ahead to electing officers to lead each of our locals for the next two years.

This chart lists each local by name and local number; it includes all officers that each local will elect in the coming year, including General Council delegates and bargaining delegates, where appropriate.

You will also see specific dates for opening and closing nominations, dates for local elections and balloting, and information about who to contact for more information and/or replacement and absentee ballots as required for all union elections.

General Council (GC) Delegate Information:

Every local is allowed at least one (1) General Council delegate. The chart indicates how many delegates each local is allowed (# GC Dels). For some locals, an officer(s) may be considered an "automatic" GC Delegate by virtue of the responsibilities outlined in a local's Constitution & Bylaws. You will see a "Y" in the "Auto GC Del" column when an officer also serves as General Council Delegate.

Your local will elect the number of General Council delegates listed minus any "automatic" delegates. Each local is allowed one (1) alternate GC delegate for every two (2) delegate slots. GC Delegate slots are filled first by "automatic" delegates, then by members in the order of highest number of votes received; GC Alternates Delegates are listed in the order of votes received and will be moved up should a delegate slot become available.

Bargaining Delegate Information:

Many SEIU locals elect bargaining delegates during this election cycle. If your local will be electing Bargaining Delegates, you will see the number of delegates allowed in the column titled "# Barg Dels."

For some locals, an officer(s) may also be considered an "automatic" Bargaining Delegate by virtue of the responsibilities outlined in a local's Constitution & Bylaws. You will see a "Y" in the "Auto Barg Del" column when an officer also serves as Bargaining Delegate.

Your local will elect the number of Bargaining Delegates listed minus any "automatic" delegates. Each local is allowed one (1) alternate for every two (2) delegate slots. Bargaining Delegate slots are filled first by "automatic" delegates, then by members in the order of highest votes received. Alternate Bargaining Delegates will be listed in the order of votes received and will be moved up should a delegate slot become available.

Officer Roles and Responsibilities:

Officer position descriptions are included in your local's Constitution & Bylaws, and will be available along with nomination forms through your local SEIU offices and/or your local election committees by the dates shown on the chart. The position of Immediate Past President is by virtue of holding the office previously.

SEIU Convention Delegate Official Notice of Nomination & Election:

The SEIU Convention is scheduled for May 31- June 4, 2008 in San Juan, Puerto Rico. SEIU Local 503, OPEU is allowed 29 delegate seats.

Statewide Officers and the Board of Directors (District Directors and the Retiree Local President) will fill the first delegate seats. The remaining delegate seats will be elected at large. Active members in good standing may nominate themselves or someone else to be part of our delegation to the convention.

Nominations open at the January 12, 2008 Board meeting and close February 15, 2008. Balloting will take place at the March 8, 2008 Board meeting. Absentee ballots will be available by February 20, 2008 by contacting Verna Fletcher at SEIU Salem HQ and are due back to SEIU Salem HQ by 5pm Friday, March 7, 2008. Results will be announced at the March 8, 2008 Board meeting.
