Candidate(s) for Adult Foster Home Assistant Council Director

Stephanie Krohn

Rogue River, OR Region 14

I am running for the position of Assistant Council Director in the hopes of being involved in the positive changes that have been and will be happening in the Adult Foster Care profession. I have been a foster care provider for a DD client for 15 years. I am aware of the issues that providers face in the care of clients. If elected I will help bring these issues to light. I will do my best to grow in knowledge and abilities by attending trainings, conferences and meetings that will help to enhance my position as one of your delegates.

Steven L. Hebert

I was Co-Chairman 2008 Adult Foster Home Bargaining Delegate, Chairman of the AFH Coastal Local for 2008-2009.

These initial years of our union is so important to form the structure and base that we will rest on for many years to come, I want to help form that strong base. I was deeply involved in the Newspaper Guild for 20 years serving in many positions including three terms as President. I've been a AFCP for DD for 8 years.

Candidate for PRESIDENT LOCAL 972—Evergreen

Cheryl Hudson

La Grande, OR

Hi. I'm Cheryl Hudson, a CNA working the NOC shift at (Evergreen) La Grande Health and Rehab. I've worked for the corporation for almost eight years, so I was there when we became unionized. I've seen what an immense impact SEIU has made on workers' rights, conditions, and the power we have together.

I attended the past two general council assemblies in Eugene and have been a shop steward and Vice-president of my local home. I was on the last contract negotiating committee and have been privileged to attend lobby days and other political activities in Salem.

If I'm elected president of SEIU Evergreen, I'll do my best to help the union help you, my fellow nursing home workers. We all strive to treat our residents with the respect and dignity that they deserve. We workers should receive no less from our administrators and coworkers. If I am not elected to this office, I will be happy to work in the position that I have, to help SEIU continue to improve the lot of all service workers and to bring a healthy middle class back to our country.

Thank you.
