

## Here's how we made it happen, together...

861 "Tell my Story" Provider Platforms were presented to legislators – educating them about what being a caregiver means in our lives and those we care for.

130 Care Providers attended Lobby Days at the Capitol – talking to legislators face to face.

606 Postcards went to legislators urging support for an increase in the homecare budget – collected in just three weeks.

41 Homecare Workers attended the June Homecare Commission meeting to press for a fair contract settlement.

9,111 S-CHIP Petition signatures were collected in five weeks and presented to Congress.

1,900 New CAPE Contributors to support our work electing pro-working family legislators.
