Tom Seither

**ELECT TOM SEITHER
VICE-PRESIDENT
OREGON PUBLIC EMPLOYEES UNION
SEIU LOCAL 503**

Here is what union sisters and brothers are saying about Tom Seither:

"Tom and I served on the '87 Flying Squadron together, then we both came to the board together in '90. I've always been impressed by Tom's commitment to the Union movement as a way of helping others. He is dependable, straight forward and doesn't take himself too seriously. He'll make a great Vice President. I hope you will support him too."

Dawn Morgan - past president, OPEU

"I've seen Tom Seither wear many hats over the years; from shop steward representing state workers, organizer of our county employee's local, and district director. Seither is very clearly a leader and a strong voice promoting union participation and the power of unity. Seither has my vote for Vice President."

Terry Yantis - original Organizing Committee member and leader in Curry County Local #985

"I first met Tom in 1987 when we were both members of the original Flying Squad. Tom has the energy and the knowledge to be a leader in our Union. And, he has a good understanding of contracting out dangers and knows how they will impact ODOT."

Tracy Pierce - ODOT Local #730
