Alice makes a *difference* for our members:

Collective Bargaining—Bargaining strong contracts with good wages, quality healthcare, secure pension benefits and developing a strong steward system to protect our gains. These have and always will be top priorities under Alice's leadership.

"Alice and I have served together on bargaining teams since 1987. Her expertise, energy and commitment to the process have always been an inspiration to me."

Dawn Morgan, former bargaining chair and OPEU, SEIU Local 503 President

Politics—Building a strong grassroots political organization to protect and promote the interests of our members and their families at the ballot box and in the Legislature. "Politics is Union Business" has become a reality under Alice's leadership.

"We face heavy battles with Sizemore and McIntire. We should be united behind Alice. Her 20 years of experience and her track record are what we need now."

Bruce Nobles, ODOT Local President
