# Voters' Guide

SEIU Local 503, OPEU recommendations are based on the candidates' positions on issues of concern to our members such as funding of quality public services (including home care), privatization, affordable health care, and public employee retirement security. Interviews are conducted through an elected committee of more than thirty member volunteers (CAPE) and in conjunction with the SEIU Local 503 Board of Directors. Additionally, the SEIU Local 503 Board of Directors carefully considers ballot measure positions.

This Voters' Guide summarizes the findings of our research and offers our recommendations on all statewide candidates and ballot measures.
