THE 'Varsity indoor base ball team will go forth next Thursday to do battle with the teams of two of our neighboring institutions. Although there are many new players on the University nine, we are confident that the men will give a satisfactory account of themselves. Captain Zeigler and his followers carry with them the best wishes of the entire University.

THE local debate of Saturday evening demonstrated the fact that University is not lacking in material for an excellent team. The men chosen to defend our college in the coming contest compose a team that will be well nigh invincible. They enjoy the greatest confidence of the entire student body and the University rests assured that her debating standards will not be lowered.

There will be no recitations at the University on Thursday and Friday.

SOCIETAS QUIRINILAS.

At the regular meeting of the Societas Tuesday evening the following papers were read: "The Influence of Greek thought upon Modern Philosophy," by Marsh; "Herodotus," by M. Hemenway; "Martial," by Miss Bannard; "Theocritus," by Miss Whittlesey. At the next regular meeting, which will be an open session. Dr. Schmidt will deliver a lecture on "The Travels of a Myth."

Joint Debate.

The next joint debate between the three literary societies will be held in Philologist hall March 9. The debaters selected by the three societies are as follows: Eutaxian, Miss Johnson and Miss Bradley; Philologist, Mr. Beattie and Mr. Gamber; Laurean, Mr. Angell and Mr. Smith. The debaters are to meet in Villard Hall today at 3 p. m., and arrange for the details of the contest.

ATHLETIC NOTES.

There will be a practice game between the 'Varsity and the scrub indoor baseball team at the gymnasium Wednesday evening at 7:30 o'clock. Admission 10 cents.

At a called meeting of last season's track team men last Tuesday, H. D. Angell '00 was elected captain of the track team for the coming season. On the same day Fred J. Zeigler, was chosen as captain of the indoor baseball nine.

At a meeting of the board of managers of the U. O. A. C. Friday afternoon, Mr. Luke L. Goodrich, '01 was re-elected football manager, to serve for the season of 1900. The election of an assistant manager was postponed until the next meeting of the board.

The board of managers has elected H. D. Angell, C. N. McArthur and Luke L. Goodrich as delegates to the Inter-Collegiate Athletic Association meeting at Salem next Saturday. This is a very important meeting as there are a number of constitutional amendments and other special business to be considered.

EUTAXIAN SOCIETY.

Those members of the Eutaxian Society who were not present at the regular meeting Friday afternoon missed one of the most interesting meetings of the year. The program opened with a comic reading by Marie Bradley, "Aunt Melissy on Boys." A piano solo was given by Hazel Bickers. In response to an encore Miss Bickers played "Caprice" by Greig. Grace Wold recited well Neil Forest's "Mice at Play," which kept the audience in continued merriment. Current events were given by Kate Wilson, followed by a prepared address by Susie Bannard on "The Influences that have Aided the Development of American Literature." The debate was passed over on motion of the society. Miss Jakway gave an extemporaneous speech on what five months' work in the Eutaxian Society will do for one. She was repeatedly interrupted by enthusiastic applause. In response to good of order, Miss Driver made a few appropriate remarks. Adjournment.

Following is the program for next week: Reading, Amy Holmes; prepared address, Bessie Hammond; current events, Hazel Bickers; instrumental duet, Misses Alloway and Boyd; recitation, Isabel Jakway; debate, "Resolved, That the housing of the poor should be improved by municipalities." Affirmative, Winnie Miller and Nell Boyd; negative, Susie Bannard and Grace Wold.

Professor Glen as Valentine.

Prof. Irving M. Glen celebrated his twenty-ninth birthday on the evening of February 14th, at his pleasant home on 9th street. An interesting evening was spent in pleasant conversation and listening to rattling ragtime songs, quartets, etc., coming from the brazen throat of a phonograph. Refreshments were served, in which preparation from the chafing dish figured palatably.

Those whose good fortune it was to enjoy the merry evening were: Rev. and Mrs. R. C. Brooks, Prof. and Mrs. Arthur Lachman, Prof. and Mrs. Edward McAllister, Prof. and Mrs. Frederic Dunn, Dr. and Mrs. LeRoy Whitson, Mrs. Emma Thompson, Miss Carrie Friendly, Mrs. Minnie Washburn, Prof. E. D. Ressler, Prof. C. A. Burden, Prof. F. G. G. Schmidt.
