

Always be On Time

Can't do it though with a treacherous watch. If your watch don't run just right bring it around. We will give it a thorough overhauling and will guarantee it to work full time every day after that.

Notes.

Look out for the Webfoot Friday.

Fred J. Zeigler was a passenger to
Portland Friday.

Regular Assembly was put off till
Friday last week.

Remember you can find out all about
the Webfoot Friday.

The Eutaxians adjourned for the ball
game Friday afternoon.

Senior parts and theses of graduate
students are due today.

Prof. W. Gifford Nash has been con-
fined to his room with a bad cold.

H. E. Doering '04 went to his home at
Portland Thursday night.

T. E. Palmer, a crack hurdler on last
year's team, is now located in San Fran-
cisco.

Before buying a bike see M. M. Scar-
brough. He can save you \$5 on a new
wheel.

Contractor Doering is getting the
framework at the new tennis court well
in hand.

President Strong is now in the East,
but is expected to return about May 5,
if not before.

The field meet with the Multnomah
Athletic Club will take place in Port-
land on May 23.

The Freshmen have settled their iced
cream bill, and are now thinking of
having another party.

Dr. Condon has been ill, and on that
account was unable to lecture before As-
sembly on Wednesday.

Stuart B. Hanna '97, who is now lo-
cated at Everett, Washington, has been
in Eugene for a few days.

D. W. Cockrane has dropped his work
at the University and has gone to take
his position with a railroad company in
Idaho.

Prof. Howe has been so indisposed
with a cold during the past week that
he was unable to lecture before his
classes.

Webfoot posters announcing the ex-
cellence of the Junior Annual are plas-
tered all over the campus and down
town also.

Manager Ray Goodrich went to Port-
land Saturday to meet manager Gaches
of Washington to arrange for the U.O.—
U. W. meet.

H. C. Gailey has suddenly left school
and accepted a position as cashier, in a
bank at Roseburg. We are unfortunate
in losing him just at this time.

A golf club has been organized with
Prof. C. A. Burden as president. Among
the members are Prof. E. D. Ressler, Dr.
H. D. Sheldon and R. H. Dearborn.

Dr. F. G. G. Schmidt is making ar-
rangements to close his work in the Un-
iversity early this spring as he is plan-
ning to make a trip to Europe for the
summer.

Professor Luella Clay Carson will
leave tomorrow for San Francisco, where
she will deliver an oration on Founders'
Day at Mills College, Seminary Park,
California.

J. A. Gallogly '04 is now out of
school preparing to take the entrance
examination for West Point. This ex-
amination comes off in Salem about the
last of May or the first of June.

Ralph Fenton and Condon Bean went
to Portland again Saturday on Junior
Annual business. Final arrangements
with the paters were completed and the
'03 Webfoot will appear on Junior day.

The Handbook Committee of the
Christian Association is hard at work
getting the material in shape for the
printer. The intention is to have it
ready for distribution by commencement
or as soon after as possible.

The staff of the Junior Annual will
fortify Spencer's Butte and camp there
for several days after the appearance of
the Annual, or until the clouds of wrath
float away. It is hinted that the josh
department is rich and juicy.

A co-ed is as usual coming to the front
when athletics need help. At a co-ed
meeting Friday the most enthusiastic
plans were laid for a party for the bene-
fit of base ball. It was agreed that
every one was tired of benefits, but this
new plan is sure to prove that the girls
do know how to do things both original
and clever. The probable date of "It"
will be a week from Friday.
