ELECT CAPTAIN AND MANAGER

The baseball men who have not been selected to play on the 'Varsity team organized a second or college team Friday afternoon and elected Ralph Oakley, '08, captain, and Lloyd Brook, '08, manager. Oakley has been one of the most faithful men of the baseball squad in practicing and moreover has played a remarkable game in centerfield. He bats well and will give the 'Varsity fielders plenty of close competition. Brook also is a fielder and has showed up well.

The second team will be a strong one and will be able to play the 'Varsity nine a close game at any time. Whittlesey, '09, on first base, is not far behind Paine in fielding and throwing, and hits the ball hard. McEwen, '09, with the big mit, is fast rounding into form again. Two weeks ago he suffered a severe injury to his thumb but is recovering rapidly. Nelson, '09, is showing up good in the outer garden and hits well. Fenton, '06, and Clifford, '09, have a large assortment of benders which they use to good advantage. In short the second team will be a fast bunch.

It is the intention of the management to secure a few games with neighboring teams such as Cottage Grove, Roseburg, Springfield, Junction City, and Albany.

W. S. C. TEAM COMING

The Washington State College baseball team will play two games with the Oregon ball tossers this week at Recreation Park, one on Friday and the other on Saturday. This will be the first time Oregon has ever met W. S. C. in baseball. The men from Pullman are a fast bunch and the local team will have to play championship ball to defeat them. They have already won from Idaho, 4 to 1, and from Whitman College, 8 to 5. They are taking a long trip through Oregon and Washington and play Willamette University on Wednesday and Thursday.

McKINNEY'S WONDERFUL PUT

Henry McKinney, '07, the big man from Baker City, has almost electrified his friends and fellow students by putting the 16 pound shot 45 feet 3 1/2 inches. One good feature about McKinney's shot putting is that he is consistent in his puts, and with another year's training he ought to be in a class with Coe and Rose.
