Continued from page 1

candidates are, Clark, V. Cooper, Hammond, Ted Cooper and Page. Especially noteworthy among these is "Dud" Clark who for the last four years played right field for the Portland Academy nine and has always maintained very high fielding and batting averages. Most likely one or two of the pitchers will be played in the outfield a majority of the time in order to keep them busy and to save traveling expenses for the management.

The schedule as arranged up to date contains the following games: Whitman College at Walla Walla, Idaho at Moscow, Washington State at Seattle, Multnomah Club at Portland, Willamette at Salem and O. A. C. at Corvallis. The games played in Eugene will probably be with the following teams: Idaho, Willamette, O. A. C. and Chemawa.

Garfield Watson, assistant division engineer on the O. R. & N. attended the Freshman party.
