### RELAY RACES FEBRUARY 22

Bill Hayward announces that the inter-class relay races will take place February 22. The distance covered will be five miles, each man running one mile. Eberle Kuykendall, '07, Paul Reid, '09, Harry Lowell, '10, and Sam May, '11, will act as captains of the class teams. A tryout in the near future will determine who are to run. The course has not been decided upon, but probably the track on Kincaid field will be the scene of the contest. A splendid silver cup is offered as a prize to the class whose team wins the race. Each member of the winning team will also receive a gold medal. This event is new this year, and is part of the praiseworthy effort of Trainer Hayward to institute an effective system of fall and winter training for distance men. The wonderful showing of the freshmen in the cross country races leads them to believe that they may also be victorious in the relay race. Upper-classmen know, however, that a man good for cross country work is often not fast enough for the mile. Sam May and Frank Breeding are known to be good milers, and the work of such men as Sievers, Hoover and Downs, will be watched with interest by those eager for the development of varsity milers.
