Taft Men to Organize

Enthusiastic republican students have arranged for the formation of a "University Republican Club." A mass meeting of students who incline to Taft has been called to meet next Friday evening at eight o'clock in Deady Hall. Prominent republicans of Eugene and Portland will address the meeting and assist in the organization of the club. An effort will be made to have C. N. McArthur, '01, secretary of the Republican State Central Committee, address the meeting.

There is talk also of the formation of a Bryan Club, but no definite announcement has been made.

New Music Teachers

Two new teachers in the Oregon School of Music this year are Miss Mary Morgan and Miss Ellen Campbell. Miss Morgan is at the head of the piano department. Her methods of teaching are winning her much favor among advanced students.

Miss Campbell is highly recommended from Portland, where she was one of the pupils of Mrs. Walter Read.

Mr. LeRoy Gessner, head of the violin department, has been ill in a hospital for several weeks, but will soon return to take up his work.

The enrollment of the University now numbers 504 students, exclusive of the departments of music, law, medicine and correspondence. Of the 504, 233 are freshmen.

Walter Eaton, '09, returned to Eugene Saturday from the Bohemia mining district where he has been at work during the summer. He will probably reenter the University this week.

A jolly party of twenty-six University students, chaperoned by Mrs. Beals, enjoyed a tally-ho ride to Coburg bridge Saturday evening.

Two tons of commercial fertilizer are being applied to the lawns on the campus in the hope of making them grow.

Mr. Elliot, assistant in psychology and public speaking, took a week-end trip to Portland.

A cement sidewalk now extends from Villard Hall to A Street.

The Engineer's Club will probably meet for organization on Friday evening.

The football field has been marked off in order to lend realism to the practice games of the week.

\$3.00 the round trip to Portland, Nov. 21. *
