Laureans Hear Schafer

Dr. Joseph Schafer gave an excellent address to the Laureans on Saturday night on Debating as it is Practised in the English Parliament. He spoke largely from personal observation of the workings of Parliament and his address was exceedingly interesting. Resolved, That all the institutions of higher learning in the state should be under one board of regents.

For the affirmative were Wattenberg, Clark, and Walls, while F. E. Dunton, Heizer and Huntington upheld the negative. The decision was for the negative. The censor's report was given by Jack Latourette, '07, who was a member of the society during his college days.

Invention at Assembly

Assembly this week will be of unusual interest, especially to music lovers. The program will be a concert rendered by the Mignon Piano Player. This is an instrument, the work of a German inventor, Welte, which will reproduce with absolute faithfulness, the playing of any of the great masters. The instrument plays mechanically a record which renders a piece exactly as it was played originally. Professor Glen who has heard it, says that it is wonderfully true in reproducing every touch of the master pianist. The concert at Assembly will be given through the courtesy of the Eilers Piano House.

There will be a dance for University students at the Armory, Saturday night. There was one a week ago last Saturday, which was well attended and the management was asked to repeat the dance. It is strictly a University dance.

Herbert F. Clark, '09, will manage oratory and debate for the season of 1908-9. Clark is himself a debater and may be an aspirant for a place on one of the teams. He is a member of the Philologian literary society in which he has held important offices.

The Nashville Tennessee Jubilee singers gave a concert in Villard Hall Thursday night under the auspices of the Y. M. C. A.
