New Fraternity Announced

Masons of the University have formed a fraternity. All third degree masons among the faculty and students joined themselves into a fraternal organization, secretly, two years ago, but did not make it known to the public until last week.

At a banquet in the Masonic Hall last Saturday night, at which Regent S. H. Friendly presided and at which several of the faculty members made addresses, the organization decided to obtain a fraternity house for next year. The students and unmarried faculty members will make this building their home while the others will have the benefit of its hospitality when ever they desire.

The fraternity's enrollment is: President Campbell, Regent S. H. Friendly, Professors Dunn, Straub, Hawthorne, Young, Frink, Leonard, Bovard, Curry, Alumni members, Registrar Tiffany, Darwin Bristow, L. M. Travis, Judge E. O. Potter. Student members, O. Rankin, R. B. McEwen, J. Cuning, Floyd Booth, C. Cuning, C. Osterholm. Prof. Frederick S. Dunn is president and A. R. Tiffany is secretary.

Morgan is Prexy

The Philologian Society met Saturday night and elected officers for the coming semester. The program consisted of speeches, prepared and extemporaneous. L. B. Hoisington spoke on "Race Prejudice" and Ellsworth Morgan upon "The Writing of a Short Story." The officers elected were: President, E. A. Morgan, '09; Vice-President, Joel Richardson, '10; Secretary, Earl Marshall, '10; Assistant Secretary, W. Elliott, '12; Treasurer, L. B. Hoisington, '11; Editor, R. Geisler, '12; Sergeant-at-arms, Ferdinand Struck, '11. Plans for the good of the society were discussed and the advisability of giving a banquet was considered. At the next meeting the members will answer to roll-call by quotations and anyone not provided with a quotation may be called upon for an impromptu speech.

No More Shouting

The first of a system of speaking tubes has been installed in the Dormitory for convenience in summoning the men to the telephone. The old method of calling upstairs to the man wanted was somewhat of a disturbing element, and President Campbell hopes that he has found a solution of the difficulty. Dormitory residents do not seem inclined thus far to make much use of the improvements, but may become accustomed to them as time goes on.
