HUSTON IS AGAIN CAPTAIN

Great Sprinter Will Again Lead the
Track Team—Outlines Prospects
for the Weekly

Oliver B. Huston, '10, Oregon's premier sprinter, who has a record of 9 4-5 in the hundred and has been undefeated in that event for two years, was unanimously re-elected captain of the Oregon track team at a meeting held Saturday afternoon.

On Sunday noon, the newly elected captain was host at a chicken dinner at Otto's Grill, given in celebration of the winning of the interstate meet.

"The present season has been gratifying, considering the prospects at the opening of the season," said Huston this morning. "One thing I've noticed that was pleasing was the inauguration of rooting at track meets. People cannot imagine what a help it is to an athlete to be given a cheer just before his event is pulled off."

"The outlook for next year is good; with 'Bill' back again and with Pullman losing many stars by graduation. Our loss in that way is also great since Reid, McIntire and Lowell will be gone. Hayward deserves much credit for the successful season, as do also, of course, the men of the team who have trained faithfully throughout."

No Records Broken at Dorm Meet

Second and third floor roomers and boarders engaged at their annual track meet on Friday afternoon. The meet was easy for the third floor with 63 points, the second floor getting 49 points and the boarders but 9. James Neill, the hammer man, suddenly discovered that he was a pole vaulter and won first place at a height of nine feet. Harry Moon, the sprinter, with a form all his own took the high hurdles and second in the broad jump. James Neill won 20 points, Gabriel 19, and Downs 19.

Eutaxian officers for the ensuing year are, President, Marion E. Stowe; Vice-President, Maud J. Beals; Secretary, Fay Clark; Treasurer, Birdie Wise; Censor, Alice E. Stoddard; Sergeant-at-Arms, Jennie Lilly.

Several girls are planning to attend the Y. W. C. A. Student Conference at the Breakers the latter part of this month. They will leave Eugene immediately after completing their examinations and will remain at the seashore about ten days.
