## Duck Bill Gun Club

The Dark Hift Gam Crub has just held in their meeting for this smares. The object of the meeting was to determine who was the sharapion. The meeting opperop with the non-H periodicative, and soon quite sepirities and worky cominat was induced in the all meetingeness of the slot.

"Penn" Bill" and "Otta Bill" took an active part, but as neither could produce a appendiate record they wate given the "mid arm" and trild to "go way bark and sit down?', "Penn Bill" with a showing of unsuicaly Markbird and "Oals Bill" of a pondie mije could not hope to figure and conduity to this mosting, so were disposed of an enured above. The fight finally confored itself around "Chattinion Dave" and "Type Hask" as to which was celltled to the lieft, "Champion Dave" claimed to have knowned down a attar grame, which entroient couniderably doesed "Tekas Hank" [as up had no gives on his list] but suffring, became back, at blue with starten condises number of surpes slain that the Champson was completely overwhermed, ranked up the personnon and spalls no more, "Penn Bill" and "Chile, Bill" lookall on growly from the rear.

## Plausible Figures.

It is sometimes only with an experimenof phase-bill y that observing with the the final solution will sequencing first that been who may as no always ready to give inners. Wont the flucture are to the control first will isolatly to that no accur within any first will isolatly to that no accur within any first will isolatly be that no accur within any first will be a solution of the solution of the summary more use many are thed.

The error has some figures also. He are experimented on a figures also have reaching and left the school with an attendance of  $M^*$  proble. At the send of Mmemory is built encoded by the the school atoms and taking public to the attends for the built best filled by the  $M^*$  such that the filled by the  $M^*$  such that  $M^*$ when you have been been to be  $M^*$  such that when the filled filled that  $M^*$  such that the school atoms we are school with the  $M^*$  such that  $M^*$  such that  $M^*$  such as  $M^*$  such that  $M^*$  such that the school matrix  $M^*$  such that  $M^*$  such that the school matrix  $M^*$  such that  $M^*$  such that the school matrix  $M^*$  such that  $M^*$  such It might be remarked that during this period morphilemit pretailed.
