

ENTERTAINMENT BY THE Evangeline Sisters.

A surprise entertainment was gotten up by a number of zealous young ladies, who called themselves "The Evangeline Sisters," and was given in the auditorium Wednesday evening. It was an all-around surprise, even the teachers did not know anything about it, and the Superintendent did not know himself till Monday previous. The program was well carried out. The reading by Miss Irene Sotter was very funny and made everybody feel good. Miss Matilda Rosier made her first debut as a public singer and she did exceedingly well. Miss Jessie Symington played her first piano solo in public also, which was enjoyed by all very much. The piano solos by Misses Emma Williams and Lottie Lane were excellent. But the best of all was the real genuine southern cake-walk and song by all the sisters, which brought down the house. Quite a number of young people from Salem who were out enjoying a moonlight ride on their bicycles were present during the latter part of the program.

The Estelle Reels started new rollers at their last meeting. They are now as follows:—

President, Irene Sotter; Vice President, Clara DePoe; Secretary, Jessie Downie; Treasurer, Helen Johnson; Sergeant-at-Arms, Clorinda Bodgett; Asst. Carrs Radcliffe; Musicians, Annie Hayes.

The percent of attendance and the number of visitors present at every meeting speaks volumes for the Estelle Reels. They believe in really enjoyable and profitable programs and they have them.

The Reliance.

The Reliance Literary society met in the usual place on Thursday evening April 17, 1907. As the program committee did not make out any program for the above date the president appointed a committee of three to make out a short program for the evening which was very well rendered. Mrs. Christie acted as m.c., Miss French being absent. The visitors were Messrs. A. Williams and Woods. The subject for debate was: Resolved: That England is the most powerful nation on earth. The question was well discussed and closed in favor of the affirmative.
