

## McBride Hall.

GIRLS' NEW HOME.

Built in 1932.

The girls' new home was built this year at a cost of \$20,000 and is complete and up-to-date in every particular. It is steam heated, electric lighted and has the latest and most improved system of ventilation. It is the largest and finest of its kind in the Service. It will accommodate 150 large girls and Cheneaux is justly proud of its handsome new group of buildings of which this is the most important. The small and medium size girls have their home in a separate building.
