Next Sunday Father Daly will preach and hold Mass for the Catholic pupils in the school chapel at 8:30 a. m. Every second Sunday, Catholic services are held here and are greatly appreciated by the Catholic children. They are certainly very helpful to the school as well as the pupils. We are very thankful to Father Daly and his Assistants for the faithful interest taken in the Catholic Indian Children at this school, and we are assured it will be a source of great satisfaction to the parents of these children to know that their spiritual interests are not neglected at Chemawa.
