scription has expired. Please renew.

Local and General.

Miss Miller is mess manager this month.

The societies met and reorganized last evening.

There was a band concert in chapel on Monday evening.

John Harb, of class '02, is clerking in a hotel in Centralia, Wash.

Uel Goffe and Frank Souvigner are a good industrious pair of office boys.

Soon we will be making some good yellow butter that would make your mouth water.

The large girls are now housed in their new home. How do you like your new home, "big girls"?

The farmers are busy clearing land and getting their ground ready for the sowing of oats, wheat, vetch and rye.

Mr. Becker, our engineer, gave us a valuable as well as instructive lecture on steam heating, last Tuesday evening.

Joe Briggson is becoming a first class cook. He is "chief cook and bottle washer" for the "Bachelor's Club."

The painters have finished kalsomining the Dining and Serving Rooms, and are hard at work giving them a coat of paint.

The engineer boys are planting posts for the street lights and barn, and the latter will be lighted when the wire arrives.

The Rev. St. Pierre gave us a good talk on Sunday evening. He made it very clear to us how all things work together for our good.

There was an unusual good time at the sociable on Saturday evening. Some new games were played and apples were served to every-body.

Miss Dulac gave a candy party for Ethel Parrish on Monday evening. The guests were Dora and Hattie Mann, Ella and Katie Brewer and Elmer LaFours.

Mrs. Campbell and her pupils were surprised Tuesday morning to find new curtains on all the windows in her school-room.

Mr. Woodin and Professors Stenstrommeyer and Genser went hunting last Saturday, and, judging from having a team to bring them back, they must have made quite a haul.

The engineers are busy repairing the boilers, running the sewer drains around the buildings, leveling the ground to get ready for our wood railroad, putting the steam to the Office, etc., etc.

The ground around and in front of the office is being cut up with a disc harrow, and, as soon as the weather permits, it will be sown in grass, then Chemawa will have one of the best and prettiest lawns in Oregon.

We are developing some good fast milk-ets in the dairy. Those who deserve special mention are, Nels Charles, Ed Alexander, Alex Dupuis, Guy Howard, Yeppe Nelson, Willie Curson and Alfred Blodgett.

The past three days have been industrial days in order to allow the teachers to attend the Oregon Institute, which is being held in Salem. During this time a great deal of pressing work has been gotten out of the way.

Miss Hutchinson's "folks at home," when they heard she had charge of the mess they sent her cook books, etc.
