Some boys say, "I don't get enough to eat." And also they say that Chemawa is no good. Chemawa is a good place, it has all kinds of trades and teachers to teach us. Every Indian youth ought to be thankful to Uncle Sam, as he is giving every thing free.

Now boys and girls if you want to be proud of yourselves, you should not laugh at your neighbor when reciting in school. It is not the right way to treat anyone. You must not laugh at other's mistakes. Do not think you are better than others. Treat your neighbors kindly.

Colonel Pratt will have a fine Commencement at Carlisle this year. In addition to the usual attractive program he intends having present one of the graduates from each class that has left Carlisle since the beginning of the school. Many of these graduates have their own children attending Carlisle at the present time. Their love and loyalty for old Carlisle and its founder and maker is attested by the fact that they gladly and willingly send their children away across the Continent to get the spirit of Carlisle, which is the spirit of progress fully developed in their nature.
