The social at the Indian training school Sunday evening, March 7, in honor of Major J. J. McKoin's arrival and as a farewell to Superintendent and Mrs. D. D. McArthur, who left for Fort Mohave, Arizona, Sunday afternoon, was one of the most successful and pleasant affairs of the season. The seats had been reserved from the schoolroom and the building was well filled by pupils and guests by 8 p. m. The first number on the program was a quartet by Mrs. Bryant, Miss Kruger, Messrs. Arthur Bennett and Warren Hall. Next was an instrumental solo by Mrs. Bryant.

This was followed by an instrumental duet by Mrs. Bennett and Mr. Gates, vocal solo by Miss Esther Copeland, Cecile Clay and Mrs. Bennett and an instrumental duet by Miss Kruger and Mrs. Bryant. The closing number was a quartet by Mandatus Bennett and Bryant and Messrs. Towner and Bennett. All these numbers were excellent and merited the applause tendered them. The last number was enthusiastically encored. Major McKoin was introduced, and his maiden speech in Siletz was very good. His sociability and conversableness was in evidence during the evening, and every effort will be made by our good people to have him feel at home among us. Duncan D. McArthur's remarks to the school and people were very appreciative. In the girls' pasture games and social chat occupied the time until supper was announced. Your correspondent enjoyed this feature of the entertainment as well as any, especially the chicken salad, orange cake, etc. Everyone enjoyed it. The dining room was tastefully decorated in orange and green. Miss Kruger is an artist in this line. Mrs. Haller and all those who in any way contributed towards the success are to be congratulated.—[Lincoln County Leader.

In what was undoubtedly the roughest and probably the fastest game of boys' basket ball ever played in our city, the boys from the Fort Shaw Indian School defeated the boys of H. H. S. by a close score of 15 to 11. The two points which were needed to tie the score could have been made by a goal from the field in the last minute of play, but all the ginger which our team put into play in that minute could not land the ball in the net and the game was lost.

Our team deserves a great deal of credit for the pluck and endurance which they exhibited, while the Indians, too, deserve great credit for their skill at throwing baskets. The Indian braves were much taller and heavier than our team and had evidently been well coached.—[The Nugget Helena, Montana.
