

The President Will Visit Chemawa.

President Roosevelt and party will stop for an hour at Chemawa on May 25, 12:20 P. M., and we will all feel very happy to see our great white Chief and have him visit our beautiful town.

Local and General.

The summer days have come again.

Mr. Campbell celebrated his 61st birthday on Friday.

Chemawa will have a good addition to its rose garden this season.

Joe St Pierre presented an impressive sermon last Sunday evening.

Henry John left for his home at North Yakima Agency, Washington, this week.

Mr. and Mrs. Campbell spent Thursday evening at Judge Murphy's in Salem.

The Chemawa boys are doing good work in clearing our Community of rats.

A story written by Herbert Campbell was published in the last Oregon Monthly.

Beverend Archbishop Christie of Portland will be with us next Sunday morning.

Mr. Calver, accompanied by his wife, is now at his wife's home in Payson, attending to business affairs.

The lumber is here for sheding in the community and in the near future there will improve our waviness very materially.

Mr. Woodin surprised everybody at the Band Anniversary, by making a speech in response to the toast, "Our New Institutions."

Mr. Conner and his boys are doing fine work on the lawn, which when completed will be the prettiest of any school in the country.

It is said by certain of the employees that the squad boys should have better in shape even the girls, large and small. Girls look up for you at home.

Mr. Campbell says he says a his friends will not think he looks like the sketch photograph of himself which appeared in the American on Feb. 20th.

The old Hospital lawn, which was the the cradle of Chemawa, is now a school of itself since all the grounds have been made as level as a plate and re-sodded.

This evening H. L. Kwing, College Secretary of the Y. M. C. A., will visit the school in the interests of the Y. M. U. A. and will speak to the student body.

Last Saturday evening at Albany our Basket ball champions added another victory to their unbeaten flow, when they played the return game with the high school girls of that place. The score was 25 to 4.

Chemawa will have another improvement in our cement walks leading to the office, canteen, and boys new brick dormitory, and also the old wooden walks around the hospital will be replaced by concrete walks.

Palma Chemo, who arrived at Chemawa last December, is making a good progress in English language, and one is agreeably surprised with the matured and legibility of his writing, compared with a specimen obtained on his entering school.

The high boys are now practicing not hand preparing for their prospective last year. Individual practice is what holds out, and at dawn the horns and drums can be heard here and there over the grounds. Good. Keep it up, boys!

"Promising George" and "Shining Thomas" are names which might be given two boys in the mixed grade, when Mrs. Debra has to smile nearly every day. We hope these boys will apply themselves industriously in the future and win some more than these.

Last year, East Chemawa was built, which consisted of a lot of shacks for the accommodation of our volunteers during the construction of the girls new building. These have been torn down and now we are at the end of the grounds, where the boys new building is in process of construction, as it is properly be called South Chemawa.
