The engineers gave their annual party in the gymnasium Tuesday night. Music was furnished by Larsen's orchestra. At a late hour delicious refreshments were served after which all returned home wishing that the engineers would give their annual parties at shorter intervals.

The pupils of the sixth grade have a motto on the east wall of the room which reads as follows: "We will find a way or make one." But some of the boys follow it in the wrong way, they take it to mean, we will find a way or make one to get out of work, that is the proper way to follow it if you want to "count ties," but don't let that be your aim if you want to get along in this world like a man.

Local and General.

Tennis is fashionable again.

Our Easter songs were beautiful this year. Paper hangers are at work on Mr. Potter's rooms.
