MITCHELL HALL, AS IT WILL APPEAR WHEN COMPLETED.

Laying the Corner Stone.

Last Tuesday, April 21st, was a gala day for Chemawa, that being the date set for laying the corner stone for Mitchell Hall. Although somewhat damp, the weather did not seriously interfere with the carrying out of the program. The splendid music furnished by the band kept everyone in the best of spirit until the beginning of the program. A large number of visitors from the surrounding country, including a number of prom-

inent people from Salem, were present to witness the proceedings, and, incidentally, to visit the different industrial and educational departments of the school.

After a very eloquent and interesting address of welcome by the Hon. Frank Davey, of Salem, Hon. Binger Herman, of Roseburg, was introduced and delivered the dedicatory address which we are pleased to present to our readers and will be found in another column.

Following is a copy of the letter from the school to future generations, which was enclosed in the stone. Also the pro-
