

General News.

The old building near the dry house, at one time used as a laundry, is being moved about 60 feet to the west and will be used as a store house.

The showers of Wednesday and Thursday were very timely, and were a vast benefit to the lawns and gardens to say nothing of other crops.

Stephanie Jules forgot her own personality in her representation of "Miss Gray," the secretary of the business meeting. Her character was well sustained.

The shoe makers are making shoes for the small boys this week. They have filled two orders the past two weeks of one dozen pair each, besides the regular work.

The farmers are all glad that they have got through pulling and blasting out stumps. They all worked hard to get through. The place they cleared looks much better and they are now putting up new fences and fixing up the old ones.

An epidemic of small pox has broken out at the Lemhi reservation, Idaho, and about 100 Indians are afflicted, resulting in six deaths. By strict quarantine the disease has been kept out of the school.—Indian Herald.

A tennis court is being made on the ground in front of the blacksmith shop for the pupils. Adolph Farrow, who has the work in charge, says it is going to be the best court on the grounds after they get it plowed and leveled.

The Willamette Valley baseball league will open the season at Albany and Eugene next Saturday. Salem and Albany will play at Albany on the 9th and 10th inst. and Roseburg vs. Eugene at Eugene on the same date. Chemawa will be very ably represented in Saturday's game by Jos. Teabo, Sam Morris, Edward Davis and Reuben Saunders, four of our star players, who will play with the Salem team.

The latest news from Donald Campbell is that he is gradually improving. Such reports are very gratifying to his Chemawa friends.

Among the Pupils.

Lots of fun at the Sergeant's party playing "Boston, Boston."

Thos. McCully is now hospital corps sergeant for the boys.

We are glad to have Nettie Hoffer back in the sewing room again.

Miss Nettie Hoffer is working in the sewing room and is doing fine.

The tailors are busy making a tailor made suit for Miss O'Here.

Rose Brignone has a new tailor made coat which she is very proud of.

The girls are very busy making flower gardens around the McBride Hall.

The girls' detail was changed Monday and they all like their new places.

Birdie Anderson is getting along very nicely in her studies in the sixth grade.

Jas. Smith, of the engine room, is working on the new building for the present.

Soloman George is working in the laundry and is well pleased with the work.

Four boys were promoted from the B. to the A. class of the third grade this week.

Lena Jones, who impersonated "Miss White" in the burlesque, was extremely funny.

Willie Solomon, grade 3, has splendid success in taking and developing photographs.

The girls of the McBride hall are sewing carpet rags for the hall of the employes building.

Lena Lisk is one of the best laundry girls Mrs. Brewer ever had, and she is very proud of Lena.

Manuel Legget has been added to the garden detail and we hope he will be a good gardener.

Mr. Jno. Sortor who is working in Salem for Dr. Pierce is getting along nicely. He says he likes the work.

The Precilla Art Club will have their picture taken the next time they meet, which is next Monday night.
