The office is in receipt of a "Digest of Decisions relating to Indian Affairs" which has been compiled under the supervision of Hon. W. A. Jones, Commissioner of Indian Affairs. The book fills a long felt want and will be a very valuable aid to Indian agents and those interested in Indian affairs and the rights and privileges of the Indian under the law.

Gratitude is what the Indian boys and girls must have drilled into them. Be grateful to the great and good government that is doing so much for you; grateful to your school. Your alma mater; the institution that has made a man or woman of you. You owe the government and your school something in return for all that has been done for you. You can show it by loyalty if in no other way. Don't be of the kind that wants to take everything and give nothing in return.

In speaking of the league game of baseball at Albany Saturday the Salem Journal says: "Si Davis, Salem's reliable third baseman, scored the only home run of the day and won loud applause from the spectators." It also spoke well of Sam Morris' pitching. Joe Teabo caught for the Salem team and as the score stood 8 to 1 for Salem we all know that Joe well sustained his

reputation as a catcher. Chemawa boys filled the most important positions in this game.

### Mt. Angel Won.

The Chemawa baseball team met their first defeat of the season at Mt. Angel last Friday afternoon, by a score of 8 to 4. Both teams put up a strong game, but owing to the ignorance of the umpire and lay of the diamond, it was not a contest that decided which was the stronger team. The same teams will meet on the Gervis diamond this afternoon, and a good game is anticipated. The boys are confident that they will meet with fair play, and promise an interesting game.

Following is the line-up and score.

### Engineers vs. Blacksmiths

The engineers and blacksmiths met on the local baseball field last Saturday afternoon to settle a dispute of long standing and also to see who was to pay for an oyster supper. The supper alone was enough to urge the boys to their best efforts and the game was hotly contested from the beginning. We are unable to give the ultimate result as one side claims a tie on the 14th score and the other claims victory.

The line up was as follows:
