

Chemawa vs. Wasco.

The ball game between Chemawa and Wasco on the Salem grounds yesterday was good and enjoyed by a large number of people. The Chemawa band was in attendance and added much to the pleasure of the day by playing a few selections before the game began.

Both teams played good ball, although a few errors were credited to each team. One or two wild plays in the first inning proved very disastrous to Chemawa and let in three runs, however in the second inning they were more steady and soon proved by their superior playing that the ultimate result was not in doubt for a moment.

Wasco's pitching was very ineffective and our boys had little difficulty in finding the ball—when the ball didn't find them. Eight of the Chemawa team were struck by the ball while at bat. The final score stood 12 to 5 in favor of Chemawa.

General News.
