

General News.

Miss Hultman left Thursday morning for Portland where she will attend summer school during vacation.

Herbert Campbell received a fine camera from the Polmo Co. as a prize for taking the best picture in a contest.

Wm. Lovelace, assistant engineer, left July 1st for Montana where he will spend his vacation with his brother.

Donald Campbell's shaved head causes much comment. He certainly is a funny looking fellow with his bald crown.

Miss Hultman, who was chairman of the Decorating Committee for Commencement, deserves much praise for the skill and taste shown in the chapel arrangements.

A bouncing boy brought joy to the home of Mr. and Mrs. Cooper last Sunday morning, June 28. The little fellow will sign his name Forest Elmon Cooper in the future.

Owing to an unusually large amount of job work, some of our force being absent and two holidays—Commencement Day and the Fourth—we were unable to come out on time this week.

Miss Magale L. Fenton, of Chico, Cal., arrived at Chemawa Friday forenoon and returned on the afternoon train with her brother Elmer, who will spend his vacation at his California home.

The prize offered by Superintendent Potter for the best school garden was won by Miss Dohse's grade. Jessie Symington's and Joshua Gibson's garden won the prize for the best individual garden.

Donald Campbell has been appointed assistant disciplinarian during the summer months. Donald is well acquainted with the boys and the work, and no better appointment could possibly have been made.

The baseball team will play the Wasco team at the Dalles on the Fourth. The Chemawa band has also been engaged to furnish music for the day. The Dalles is making preparations for a grand celebration.

The friends of Robert Deacon were much pleased to see his picture in the graduating Class of Haskell Institute, and were glad to know that he passed the required examinations. He is now expecting to go on a tour with the Haskell Institute band.

David McKillop has been appointed assistant engineer and reported for duty Wednesday morning. Mr. McKillop is not an entire stranger to Chemawa, as his home for the past several years has been in Salem and he receives a hearty welcome among us.

Mr. Becker received good news from Washington last week announcing that a second assistant engineer had been appointed to his department. Work in the engineering and plumbing departments has been constantly increasing and a second assistant was badly needed.

At a recent meeting of the mess Mr. Wilson was elected manager for the next quarter. No better choice could have been made. Mr. Cooper, whose term has just expired, filed the place to the entire satisfaction of all. Miss Hutchinson was chosen assistant manager for the month of July.

Miss M. A. Cogan has been appointed matron of the 'Small Girls' Home, as Miss Sellers resigned, and entered upon her duties Wednesday morning. Miss Cogan recently arrived from Washington, D. C., where she had been attending the Catholic University of that city during the past year, previous to which she spent eighteen months as matron in one of the White Oak Indian schools in Minnesota.

It takes animal energy, ambition, push, to make a climber. It takes a climber to be success. Occasionally we hear of one who is whisked to success on an express elevator. He goes up like a shot while others are fully wending their way up the stairs. But the car that took him up will bring him back quite as rapidly; he has nothing upon which to hold; he is but a victim of circumstances. It is the boy who goes up the stairway, step by step, who puts action and energy into his ascent to the top, who will stay there when he gets there.—[E]
