

FOOTBALL TEAM TO BE REORGANIZED.

Manager Godwin, of the football team, is taking steps to reorganize the team and hopes to begin practice about the 15th inst. The coming season will undoubtedly be the best football season the school has experienced. While no schedule has yet been made, Mr. Godwin is in receipt of communications from Stanford, Berkeley, Eugene, Forest Grove and the soldiers of Vancouver, while the papers announce that the Reliance team will visit Oregon and hopes to get a game with Chemawa. Many other teams will likely be heard from later. No agreement has yet been reached as to terms, but the games are pending and it is certain Chemawa will be kept busy. All the old players are expected back and an improvement over last year's team is hoped for. In fact Manager Godwin is desirous of securing the best team on the Pacific Coast and every member of the team should do their utmost to carry his point.

Before going to press Mr. Godwin informed us that arrangements had been made for Chemawa to play Berkeley on October 24 and Stanford on October 28.

PLEASED WITH CHEMAWA.

When Miss Burgess, of Carlisle, stepped off the train at Chemawa her expression of surprise and delight were very much appreciated by her friends here, as her judgment in regard to Indian schools is generally accepted. Miss Burgess was only here a few days, but she made a careful inspection of the various departments of our school and her words of praise were evidently sincere. She will return to Carlisle and be able to tell our big sister school just what Chemawa is doing. She visited our printing office and encouraged the management of that department by her good, practical advice. The AMERICAN esteemed it an honor to entertain the chief clerk of the "Man-on-the-bandstand." Come again, Miss Burgess.

ABOUT THE SCHOOL.

Clifford Coonskin is employed by a Salem bakery.

Tommy Potter is having a royal good time at Newport.

Mrs. Holverson, of Salem, and Mrs. Sroat, of Pasadena, Cal., visited friends at Chemawa on Thursday.

FOUND—A small bunch of keys. Owner may have the same by calling at this office and proving property.

Mrs. Campbell entertained Senator Mitchell, Supervisor Chalcraft and family, Mr. Owens, and Mr. and Mrs. Chas. Gray, of Salem, at luncheon and dinner on Tuesday.

Mrs. DeFault, of Klamath Agency, spent a few days last week visiting her sister, Mrs. Mann. Mrs. DeFault is well pleased with Chemawa and has placed her little boy in our school.

The kitchen force is busy canning fruit for winter use. About 108 boxes of pears and 63 boxes of plums were received from the orchard last week and many more will follow this week.

Mr. Potter came up from Newport on Tuesday evening bringing our gentle friends, Dr. and Mrs. Buchanan and their pretty little daughter, Louise, with him. Miss Brown, of Spokane, accompanied them.

A party will be given in honor of Mr. S. F. Owen Thursday evening by the employes of the school. Mr. Owens will leave soon for his home in Michigan. During his short stay at Chemawa he has made a host of friends and his departure will be a matter of keen regret to all.

Miss Cogan, who has held the position of matron at the Small Girls' Home for several months, has been transferred to Fort Lapwai to take Miss Troutman's place as matron at that school, while the latter will occupy the position formerly held by Miss Cogan at Chemawa. Miss Cogan made many friends during her stay here who regret to have her leave.
