

Y. W. and Y. M. C. A's.

The Y. W. and Y. M. C. A's. and the Sunbeams had a joint meeting instead of going in their regular meeting rooms last Wednesday evening at 8 o'clock. In the meantime the meeting was opened by a short and instructive talk by Ella Brewer, the president of the Y. W. C. A. which was followed by a song, "Only Remembered." The prayer was led by President Albert Garry. Another song was sung, "Holy Ghost, with Light Divine," which was followed by an interesting address by Miss Bowman of the Y. W. C. A. After the address, the roll was called, which was responded to by Bible verses, and was followed by a song, "Jesus is Calling." We then had a reading by Mrs. Chalcraft, which was mainly in reference to the birth of Christ. Another hymn was sung, "Memories of Earth," which was followed by a short talk by Albert Garry. The closing song was sung, "God be with You!" which was followed by a Watch-Word. After this enjoyable meeting, we adjourned.

ACADEMIC

Katie Brewer had the highest average in the seventh grade in all her examinations.—A. H.

Billet Lobert stood the highest of the boys in their Quarterly Test, and Kate Brewer of the girls.—J. M.

Some of us were well surprised at the result of the examination. It is not well to be too sure of passing.

Some of the new pupils who have not been long at Chemawa lowered the class average this quarter. They will do better next quarter.—Editor

Choir practice has not been held regularly since Christmas, as we have had basketball on Tuesday night, but the choir shows no lack of interest and will be glad to practice again.

The sixth and seventh grades finished their examination last Tuesday and as a result Katie Brewer stood at the head of the seventh grade and Loulin Brewer stood at the head of the sixth.—C. D.

Some of the tests in arithmetic were taken from books. But four of the 7th grade and four of the 6th grade, make 100 per cent in arithmetic which shows they do not work for answer.

The sixth and seventh grades had an examination and some of them didn't make a very good success of it. There were only two or three who did not make a success of it, four of the 7th and 5 of the sixth grade have been promoted.

Mrs. Campbell promoted Kate Brewer Belle Dillstrom, Anna Hauser and Frank L'Heureux from the 7th to the 8th grade, and Anita McLaughlin, George Williams, Joe Dillstrom, Fred Lewis and Loulin Brewer from the 6th to 7th grade.
