CHEMAWA VS MONMOUTH

The girls' basketball team, chaperoned by Miss Bowman, went to Monmouth last Saturday and played the girls of the State Normal School a very interesting and hotly contested game of basketball.

Our girls took the lead from the start and at the end of the first half the score stood 7 to 2 in our favor. Our girls showed by their clean and fast playing that they understood more about the game than their opponents who were inclined to play a little rough. Fifteen and twenty minutes halves were played and at the end of the game the final score stood 27 to 11 in our favor.

The line up:

Chemawa		Monmouth
Souvigner	F	Ball
H. Mann	F	M. Murdock
Winslow	C	Sired
Charles	G	Sears
N. Mann	G	D. Murdock.

Baskets from field; Souvigner, 8; H. Mann 2; Charles 1; Ball 1; M. Murdock 1; Sired 2; D. Murdock 1.

Baskets from foul line by Souvigner 5, missed 3, by D. Murdock 1, missed 3.

Referee; Larsen, Chemawa; Umpire, Throp, Monmouth; time keepers Farrow and Brown.

The boys' second basket-ball team of Chemawa lost only three games out of nine, this season. M. W.

We like to win games, but when we lose we like to lose like good sportsmen. A clean fair game is ennobling. That's why athletics are encouraged by the management of schools and colleges.

"Hurrah" for our Girls' B. B. team who defeated the Monmouth Normal,

the score being eleven to twenty seven. They were very much encouraged by their first game and intend to have a better record than the boys again this year.—E. B.

Our girls' basketball team left at eleven o'clock this morning for Corvallis, where they will play the strong State Agricultural team. Mrs. Theisz chaperoned the party.

Last Saturday, our basketball boys went up to town to play the South Salem School, and our second team was badly defeated by the South Salem boys.—W. L.

Indian Senator

Washington, Jan. 12.—Kansas is to have the distinction of being the first state to be represented in the United States senate by an Indian. Charles Curtis, who has just been nominated by the Republican legislative caucus for that office, is an aboriginal American. He is one of the few remaining of the Kaw tribe which is fast fading away. Both Mr. Curtis and his children received allotments when the Indians' lands were parcelled out by the government.

Mr. Curtis is strictly a self-made man. In his youth he was in turn a newsboy on the streets of Topeka, a peanut butcher, a horse jockey and a cab driver. He gained a smattering of law by hard study while driving a hack and was admitted to the bar. He was soon elected county attorney and later sent Congress, mainly through the votes of those who had been his patrons in his youthful business ventures. He will begin a full six-year term on March 4, which marks the expiration of the brief services of Senator Benson, who was appointed by the governor of Kansas to fill Burton's unexpired term. He has been a member of the house of representatives for 14 consecutive years.
