

Chemawa is praised for its good basket-ball players.

Mr. Campbell and Mr. Stelzner went to Woodburn with the basket-ball team on Saturday evening.

It is said that Chemawa has more basket-ball teams this year than it ever had in the history of the school.

Ex-Governor Fletcher, of S. Dakota, gave us a talk Saturday night about how the Indians should be taught and what they should be taught.

Miss Dohse is very proud of her young orators, Roy McIntyre and Frank Ryan. She says they have a great talent for speaking, and predicts a future for them if they study hard.

Miss Gertrude Brewer, on her birthday, entertained the girls' basket-ball team with their friends, at her home. The evening was happily spent in song, recitation and games. Miss Bagnell recited Hiawatha and her rendition was heartily applauded. Mr. Lew Stelzner, Orson Bell and others sang songs which helped the merry makers. Miss Brewer herself was at the piano playing selections, the strains of which mingled with the laughter and merriment of her guests told how her music was appreciated. Refreshments were served in abundance. Much mirth was had when those present endeavored to blow out the candles around the birthday cake, of all the attempts only one was successful in blowing them all out. Miss Brewer's friends join in one voice thanking her for her courteous entertainment, and wishing her many more birthdays to be far more happy than the last.

A pleasant party was given by the Minne-ha-ha club in the Auditorium Wednesday evening. The large room was beautifully decorated with evergreen, Oregon grape and national colors. At the close of the program games were introduced. Every one entered into the spirit of the games. Delicious and bountiful refreshments were served and every one expressed themselves as having had a most enjoyable time.
