

Resolved: That the thanks of this convention are unanimously tendered to Supt. Chalcraft and Asst. Supt. Campbell, of the U. S. Indian Training School, for kindly furnishing this convention with the neat and tasty programs of exercises, and that the Secretary be instructed to convey the same to them.
—Secretary, Genevieve Headley.

EXCELSIOR—The Exceisior Literary Society held their usual meeting in schoolroom number eight and had a short meeting. The music by Martin Sampson and Arthur Tyler was enjoyed by all, and Frank Gorbet's "Account of my life" was very interesting, especially the last day. The following question was for discussion: Resolved: That United States has produced greater generals to the world than England. The disputants upon the affirmative were John Benson and Arthur Tyler while Webster Hudson and Martin Sampson upheld the negative. The program for the next meeting was made out and read and we adjourned.

Sorry to Leave Chemawa

About twelve years ago a little brown faced boy entered the Douglas Mission School in Alaska. Having an unpronounceable Indian name, he was called Indian Charlie, but as there were already too many Charlies in the school he was finally named Silas Moon, after the missionary Rev. S. R. Moon, who together with his wife took great interest in little Silas and sent him to Chemawa a few years later.

During his stay here he learned blacksmithing, made a good reputation and has made every one his friend. For the past few years he has taken active part in athletics and "Moon" is quite well known on the coast.

He left for his home in Alaska on Monday, and a large crowd was at the train to see him off. We were sorry to see Silas leave Chemawa, but he takes with him our best wishes for a successful future.

Written by H. M., Seventh Grade

"Did you pass?" is the question being asked by the pupils now.

Mr. D. E. Brewer, disciplinarian, took a business trip to Portland Tuesday evening.

Mr. William Ingram a former pupil of Chemawa visited Mr. and Mrs. Teabo Sunday.

Miss Harold one of our country neighbors was the visitor of Mrs. Brewer and family, Saturday and Sunday.

One of Miss Harriet Jones' friends received a letter from her telling of her trip. She reports having had a most pleasant trip.

Mr. Swartz and family attended the convention held in Hayesville last Sunday. They report having had a very pleasant time. Iva Dodson also accompanied them.

Ernest and Loulin Brewer were among the spectators at the game played in Newberg last Friday evening between our first team and the Newberg College team. The score resulted in favor of Newberg, 24 to 8.

Last Monday afternoon a number of little folks were entertained by Francis Swartz celebrating her sister's seventh birthday. A very enjoyable time was had by all those present. The early part of the afternoon was spent in playing games. Then a birthday cake with candles around it was the amusement—only Johnny succeeded in blowing all out. After dinner a short program was rendered. All departed wishing for many more such pleasant times.
