

Chemawa vs. Willamette University

Our team defeated the Willamette University boys yesterday afternoon on our grounds by a score of 6 to 4. It was not until the eighth inning that Willamette crossed the home plate for their first score and added three more in the ninth, tying the score. Poland opened the second half of the ninth with a double-bagger; then two men went down and out in one, two order; then the bases were filled and Casey came to the bat and landed a two-base hit and brought in two tallies and the game was over.
