

Mr. Herbert Campbell made a very satisfactory umpire at the ball game on Monday afternoon.

The office force seemed to enjoy very much watching the base-ball game in one of the Salem delivery wagons on Monday.

A letter has been received from Myrtle Sperry, saying that she is now living in the family of Mr. George Geisendorfer, Round Mountain, California.

In a private letter we see that Miss Patrick has again entered the Indian Service, and is now located at Santee, Neb. Her many friends at Chemawa are glad to know she has again entered the Service.

Mrs. Campbell, Mrs. Cooper and Miss Johnston saw the game from the dormitory in the little boys' home. Mrs. Newcomb made an admirable hostess and will know base ball before the season is over.

A game of base-ball is to be played on the Chemawa grounds next Saturday afternoon between the two parties of the Chemawa Y. M. C. A., the "Reds and Blues." The blues intend to have the can of oysters this time.

The strong aggregation from Pullman, Washington, met their Waterloo at the hands of our local nine to the tune of 3 to 1. The Pullman boys are touring the Northwest, and before arriving at Chemawa had been defeated only once, and were confident of winning from Chemawa. But, lo! and behold, the Indians, with Chief Teabo and Mysterious Poland donned their war paint and scalped their beloved brethren. Our local scab artist, the Mysterious one, made some of the opposing batters take huge chunks out of the atmosphere and look cross-eyed.

A Reception

Monday evening a reception was given in McBride Hall in honor of the base-ball team from Pullman, Washington. The room was decorated with plants and banners, and colors waved in honor of the occasion.

The evening was spent in singing and playing games. The bean bag contest was enjoyed. A prize was given to the one who got the most beans. Mr. Meyers, of Pullman, was the lucky one. He received a box of bon-bons. A consolation prize was also given. The lucky ones were: Mrs. Teabo, Mabel McKay and Dora Gray. The rest of the evening was spent in playing Jericho and Sewing Circle. It was enjoyed by all. After they had bidden good night they retired. All had a good time.

MUTES VS. CHEMAWA

A very interesting as well as exciting game of baseball was played here last Saturday afternoon between the mutes and our second team. From start to finish both teams showed very fast playing, in fact the Mutes have some very good players and they led the game to the tune of 2 to 0 in the first three innings.

With a cry of victory and a determination to win the battle, our team went to the base sending the ball here and there and prevented their opponents from making any score, which indicated at the close of the game—15 to 2 in favor of Chemawa.

The field was crowded with students, and also a number of girls from the mute school came down to witness the game.
