

Pullman vs. Chemawa

The strong aggregation from the Washington State Agricultural College at Pullman played our boys a game of ball last Monday, and Chemawa won by a score of 3 to 1. It was one of the fastest games ever played on our grounds. We were up against one of the best teams in the Northwest and we hardly hoped to win, but the boys all pulled together and Merl Poland pitched a great game, Pullman only getting off from him five hits, and they were so scattered that they were only able to secure one run in the second inning. The man who made this run was the only one who was able to reach the second base for the visitors during the game.

The college boys are touring the Willamette Valley and have defeated Willamette University, State University of Oregon and other strong teams in the State, and the game Monday was only the second game of eleven that was played on the tour which was lost.

The following is the score.
