

BREVITIES

Be on time.

Attorney Senn, of Silverton, Ore., was the guest of Miss Hutchinson on Wednesday.

Mrs. Brewer and Mrs. Woods left Friday afternoon to take in the Made in Oregon Fair held in Portland this week.

We congratulate Ella Brewer and Alice Williams for conducting the song service during Mrs. Campbell's absence Tuesday evening.

The coming game with Dallas is attracting much attention at present. Get out your colors and school pennants and show your school spirit.

Mrs. Theisz did not forget her sergeants while back east, but brought each one a very pretty present. We are all glad to see her back with pleasing news.

The Chemawa bears caused quite a commotion this week. Three of them escaped from the pit Wednesday night and killed some calves and pigs and scared the neighborhood before they were all captured Thursday noon. The last one captured entered two of the boys' buildings and the waiting room in the station. Miss O'Here and Miss Hutchinson in trying to escape from the bear ran into the boys' building, but as they did so they encountered the beast which was already in the building, then a desperate race ensued.

A suitable reward will be given to the one finding the "hoodoo" that was with the Chemawa braves last Monday. For the first four or five innings Chemawa performed some almost marvelous juggling feats with the sphere, while the Salem boys played like professionals all through the game. With two men out and two strikes on him, and in the

ninth inning, David hit the ball squarely on the nose for a clean single, and scored a run, tying the score. After this there were no runs until the first half of the twelfth, when Bagnell found his batting eye and pounded out a home run. But this was not all, Salem had one man on first in their half of twelfth and then one "Slobster" stepped up to the bat and pounded out his second home run and won his own game.

Last Saturday a game of baseball was played between the "blues and reds" of Y. W. C. A. in this school. Those who did not see the game missed lots of fun. It seemed as if the "blues" were going to be "shut out," but for a certain error made by their opponents, they chanced to make a tally in the fourth inning, while the "reds" had three. McCully of the "reds" pitched a great game, and Queachpalma for the "blues." The "blues" were scalped to the tune of 5 to 4. This was a great game, and both teams showed good play.

The lineup was as follows:

"Blues"	"Reds"	
Garry	c	Snooks
Queachpalma	p	McCully
Gorbert	1b	Parker
Sampson	2b	Booth
Bensen	3b	Mullen
Goudy	ss	Holden
Godowa	of	Geffe
George	cf	Ephraim
Hudson	lf	Cameron
		Empire, Joseph M. Teabe.

Y. W. C. A.

The Y. W. C. A. held its meeting on Wednesday evening and had an unusually interesting meeting. After a few songs and prayers, the evening was turned over to Mrs. Chalcraft who was the leader of the evening. Her topic being, "The four harmonious gospels." Much was learned during the next half hour by all who were present. Next Wednesday evening we will have a recognition service, and all girls who wish to come are cordially invited and be made members.
