Colonel Hofer, wife and sister-in-law, and Captain Patrick of Iowa were Chemawa visitors on Sunday.

Robert Davis and Eugene Williams were Mr. Beck glad by presenting him with radishes from the school garden.

The baseball team of Chemawa left Gladstone park at Oregon City on Monday morning train.

Mr. Brewer and Nora Mann paid a visit to the printing office last Monday. An ex-printer said she would set type again.

Miss Cooper—Mamma, put an advertisement in the CHEMAWA AMERICAN that she is making jellies, so you will have friends to call on you.

John Miles is one of the best artists in the school. The pictures he draws are done beautifully. We wish he could study with a first class drawing teacher. He would be able to give lessons himself in a short time.

Mr. Frank Wilman, of Salem, visited Mr. Campbell on Saturday and they had some fine tennis games. Mr. Wilman and Mr. Campbell were defeated by Mr. Herbert Campbell and Miss Irene in the first set. In the second set the first named gentlemen were victorious.

Miss Irene Campbell and Miss Eva Woods left Tuesday evening for Gladstone Park, where they will spend two weeks during Chautauqua. The baseball boys are fortunate enough to have Irene with them during the base-ball games, and we know they will surely win as Irene never fails to show her Chemawa spirit and takes much interest in a base-ball game.

The first base-ball team left for Chautauqua Tuesday morning where they will camp until July the twenty-third. Among the base-ball players were: Messrs. Teabo, Merl Poland, Levi Sortor, Asa Bagnell, Peter Casey, Thos. McCully, Leon Parker, Albert Payne, Joe and Alfred Lane, Geo. Washoe, Earnest David and the cook, Robert Davis. Davis has been cooking for our team for the last few years at Chautauqua.

Little girls should be very modest when in company. A sweet modest little girl is loved by every body, but a little girl who is bold, loud and forward is both disliked and pitied by all sensible people.
