

Mr. Chalcraft and family visited Mr. Westley's farm on Sunday.

Miss Hollister, our new nurse accompanied by Albina Peirce was in Salem Monday.

Mr. Chalcraft gave a lawn social last Monday evening in honor of the baseball boys.

Mr. Brewer and family has moved to the large boys' home in the rooms they were formerly occupied

Mrs. Cloutier and her pupils spent Saturday in the woods. They report having had a lovely time.

Mrs. Doherty and son arrived last week and will enter to duty today as matron of the large boys' home.

Rosa Winslow is making herself a very pretty white dress. It is one of the prettiest ever made in the sewing room this summer.

Dr. Fryer can be seen every day fixing the hospital garden. He has greatly improved the appearance of this building since he arrived here.

Robert Cameron and Louis John reentered to duty as janitors of the school building after been helping printing the souvenir books which were being finished a few days ago.

Miss Marry Johnson left for her home in Yreka, California, this morning. Miss Johnson made a number of friends during her stay at this school, and we are sorry to see her go.

By a pupil.

Our base ball team is now at Chautauqua where they will play a series of games with some of the fastest amateur teams of the northwest. Their prospects for winning the silver cup are bright, as they all have shown their ability as fast congregation by defeating very fast teams. They also showed skillful team work. The boys who now composes the team are as follows: Capt. Joe Teabo,

a veteran ball player who is a catcher of rear ability, and without doubt the best around player on the team. His substitute catcher is Alfred Lane, a very cool headed and clever catcher; this is his second year in base ball and with a little more experience in the game, he will be one of the best catchers Chemawa ever had. On the initial bag we have Leon Parker who is a hard, swift player and also is a beginner in the game. He fields his position well and hits hard. Joe Lane who covers second base is a fast fielder and a good sticker. At short we have our Wiry little Asa Bagnell who is the fastest player on the team, covering not only short, but also the whole infield and also part of out field, he is the best pinch hitter and in stealing bases he is hardly surpassed. In the person of our baseman we have another clever player, at bat as well as in the field, Peter Casey is always in the game. Then the trio of our famous outfielders, Levi Sorter, Thomas McCully and Earnest David, all being fleet footed and capable of making sensational running catches and are also sure hitters. George Washoe is an utility man and a fast infielder, and last but not least we have two pitchers, whose standing any pitcher would be proud of. Merl Poland is a pitcher who can easily hold his own with any amateur in the northwest, as he has already shown. Albert Payne has all kinds of spud and a variety of curves which can puzzle most batters who face him, they are both filled their position well and are good hitters.

With this team we are certain of victory, and also the fact that the whole team were in the best of spirit, and health when they left. Gen'l Mr. Campbell will look after their interests while at Chautauqua. But one thing is certain they will not starve as they have our Bobby Davis as their cook, we all know how Bobby can put up a "square meal" even he does wear glasses nowadays.
