No. 29

AT OTHER SCHOOLS

(CLIPPINGS.)

Mr. Tibbetts has picked 125 bushels of ripe tomatoes the past 10 days. Hardly a meal has passed that this much liked vegetable has not appeared on the table.—The Weekly Review.

The Indian Bureau, September 18, announced the transfer of Edward Minor from Neal Bay school in Washington to the Kickapoo school in Kansas, as superintendent.—The Indian Leader.

Mr. Robert G. Valentine, private secretary to Commissioner Leupp, visited this reservation this summer. He was here for over three weeks. He was representing the Hon. Commissioner and looking after the general welfare of the Oglala Sioux. He went from here to Rosebud Agency.—The Oglala Light.

The work in the harness department is starting off nicely with a detail of fourteen boys. Since the first of July fifty sets of harness have been shipped from this school. Twenty-five sets were sent to Browning, Montana.—Indian News.

Haskell is to have natural gas for heating and cooking purposes this year. This will be a great improvement, and all are looking forward anxiously to the

time when all the arrangements have been made, the pipes laid, and gas turned on. Electric lights will still be used in all the buildings.—The Native American.

Trains, passenger and freight, pass the school daily. No regular station has been established here but the trains will all stop when necessary. The road is an extension of the Virginia and Tuckee and was ready for work as far up the valley as Gardnerville, August 1.—New Indian.

The Catholic Congress which met near the Holy Rosary Mission school July 11—15 was in point of numbers and interest a decided success. Bishop Stariha of Lead, S. D. presided, and on Sunday July 11th confirmed about 200 Indians and gave the temperance pledge to over a hundred. Among the clergy who were present from a distance were Rev. Fr. Ketchum, of Washington, D. C., Rev. Fr. Digmann of Rosebud and Rev. Fr. Francis of Standing Rock Agency, N. D.—The Oglala Light.

The power house was nearly burned yesterday afternoon at half past three o'clock. We put out the fire before it burned the roof. We will fix it so it wont burn again.—Native American.
