

PUPILS' ITEMS

We have some new rules in Mitchell Hall.

We all enjoyed the band concert last Sunday.

Anna Miller is now working in the sewing room.

Three new boys came from Toppenish, Washington.

Lena Jones writes that she will return to Chemawa.

We are all glad to see so many new pupils coming to school.

The farmers are to plow the hundred acres down near the creek.

Grace Dumore and Edith Inman are working at the mess club.

Mary Johnson is making a pretty dress for her sister, Maggie.

Elizabeth Dan will soon return from her home at Auburn, Washington.

Harry and Ethel McKinnon left for their home in Beswick, California.

Mr. Brewer and Mr. Chalcraft had some boys out working behind the new barns.

Miss Dohse took some girls to Salem Sunday for a ride and they visited the Capitol.

Tiny Jeffers an ex-pupil of this school was visiting her friends. She lives in the country.

Martin Sampson has been trying to improve the condition of Mitchell Hall by encouraging the boys. He had much success.

Mrs. Theisz had her floor girls out making flower gardens last week. They hope to have some pretty flowers next spring.

We had a nice time hallow'een night. There was a cow on the railroad track and the train ran over her.

Anna Miller is now working in the sewing room and getting along nicely.

They all say they had a very pleasant time at their parties, hallow'een night.

We are all glad to see Mrs. McIntyre at our school on a visit to her children.

The Dining hall girls were busy making doughnuts for hallow'een.

The girls who attended the concert all appreciated it and enjoyed themselves.

Last wednesday night the party that went to the Salem had quite a lively time. We all enjoyed the evening very much.

News was received of the recent marriage of one of our former school-mates, Mary McLeod to Henry Clarmont, of Missoula, Montana.

Mr. Teabo the bandmaster of Chemawa Indian Band, has received his new C. G. Conn instrument last Monday morning. And it is a nice instrument. We all hope to have a fine band this year.

The Y. W. C. A. members had their opening reception of the year in the gymnasium last Thursday evening. They will hold their first meeting in the usual place and all girls are cordially invited to attend.

The Phoenix School has installed a septic tank, which will soon be in operation. If they have as much success with theirs as we have at Chemawa, they are to be congratulated. The Chemawa septic tank has been running satisfactorily since October 1903.
