

RECLECTIO

The Indian school won two and lost one basketball game on Saturday. In the afternoon the second Indian team defeated the Mute School team by a score of 18 to 14 in a good game played in the Indian School gymnasium. The line-up was as follows:

Chemawa	Position	Mutes
Darnell	F	Probst
Williams	F	Lynch
Goudy, Holden	C	Emerick
Charles	G	Tichenor
Wiggins	G	Lindster

Baskets were thrown as follows: Darnell 1, Williams 1, Goudy 2, Holden 1, Charles 2, Lynch 2, Emerick 2, and Lindster 1. In addition, each team added 4 points to its score by goals from fouls.

The Chemawa second basketball team, after defeating the mute school Saturday by a score of 14 to 18, was not content with its lurals, but in the evening repeated the dose, this time to the Woodburn High School, whom they defeated by score of 12 to 11. This was one of the prittiest and fastest games ever played at Chemawa. The visitors showed considerable teamwork, but the sturdy red men were too much for them. It was anybody's game until time was called. The first half ended 5 to 4 in favor of Woodburn, but in the second half the Indians added 8 to their score while Woodburn were able to throw only three baskets, thus shutting them out by one point. Chemawa threw six baskets—Darnell two, Goudy three, and Williams one. Woodburn threw four baskets—Austin one, Fisher one, and Flinn two—and then added three to their score on account of fouls. The line up was as follows:

Darnell	F	Austin
Yallup	F	Fisher
Goudy	C	Barney
Williams	G	Helukin
Wiggins	G	Flinn

The officials were: Referee, Mr. Beebe of Woodburn; Umpire, Mr. Larsen of Chemawa.

INDUSTRIAL NOTES

Mr. Dillstrom, of California, has been visiting his children who are pupils here.

Mr. Brewer and the boys have been blasting stumps on the side-hill south of the new barns.

Mr. Swartz' farm boys have been busy at the lower farm, plowing and getting ready for Spring seeding.

Mr. Hulden with a force of boys have been clearing the location for the calf lot in connection with Chemawa's new barns.

Mr. Chalcraft and the engineering force have been very busy at the boiler house installing the new heater in connection with the boilers and making other necessary alteration and repairs.

A good substantial four foot plank walk has been constructed from the school to the new electric car line, which has been extended from the school line to the permanent station, and the first cars will run from that point tomorrow morning.

Mr. Westley and his gardeners have been to the Nursery; re-planting the trees in the orchard and planting apples, prunes and other trees and preparing the ground for Spring planting. Also, a force have been spraying Chemawa's orchard, which with the plowing and hauling of manure and delivering of vegetables to the kitchen has kept the gardeners very busy.

Mr. Smith and the plumbers have been busy completing the installation of the electric lights in the girls new lavatory building and also in the middle size boys' building, which were remodelled this summer, but in which no lights were installed owing to the supplies not reaching us from Chicago. Being lost or held up by the railroads at some point between the windy City and Chemawa.
