

## PUPILS' ITEMS

Henry Davenport has returned to school from Siletz.

Pearlie Clark is now one of the sergeants of Company C.—C. L.

The McBride Hall girls gave a party last Thursday and all reported having a good time.—H. H.

It will soon be baseball season and then we will go out to cheer good old Chemawa.—P. S.

Since the snow and cool weather are over we are having warm weather, more like spring.—A. P. G.

Miss Lizzie Sequin of Portland, one of Chemawa's old pupils expects to visit the school soon.—D. G.

The march played by Della and Alice DeMers, while marching out of chapel Monday, was excellent.—E. N.

George Howard is working on the farm and says he likes his work. Mr. Swartz say he is a good worker. — G. W. B.

Allen Walton is working in the engineering department, and says he will be an engineer in the near future.—L. R.

The lecture by Governor Fletcher last Saturday evening was very interesting and everybody present enjoyed it.—M. L.

Ollie Lakin and Lulu Coonskin did not get to go home on the Steamer Alliance. It sailed before they got word.

Some of the girls states that they are to take part in three different entertainments all of which will be given soon.—B. C.

The new cow barn has been resupplied with water pipes as the others were bursted by the cold weather that we had.—P. C.

The harness-makers are busy making harness.

Haynes Bateman is working on a riding bridle.

Wm. Burke and Alvin Pollock made some collars for the deer.—M. J. B.

Mr. Adolph Farrow who had some pennants made, is going to exchange with different teams.

As Sunday was such a lovely day a number of girls chaperoned by employes, went for afternoon walks, and enjoyed them.—L. M.

The man who took the contract to move the gymnasium is getting on finely and the boys like to watch the way they move it.—E. S.

Mr. and Mrs. Conder of Salem came down to visit the school Tuesday afternoon. Mrs. Conder was Claudia Childers before her marriage.—R. B.

We are having very nice weather after having some snow on the ground for some time and it makes us, think of the good old summer time.—N. S.

Miss Skipton took the basketball girls out for a walk, the distance being three miles, last Sunday and the girls all say they enjoyed themselves.—K. B.

Ex-Governor Fletcher gave the boys and girls a very fine talk, and it ought to be a good hint to the smokers and tobacco chewers of Chemawa.—P. G.

We hope the girls who wash the dishes in the dining room will wash them clean and wash all the soap off of them. Soap does not improve the flavor of food.

Frank J. Sorahan a member of the blacksmith department, has placed an order in the harness-shop for a heavy set of harness which he will send to his home in California.
