

## ACADEMIC

The fifth grade B. class had a lesson on cheese making on Monday.—W.L.

The sixth and seventh grades are having their quarterly test this week.

Calvin Darnell is back in school again after being in the hospital on account of sore eyes—J. M.

Who are disappointed to know so many fifth grade boys do not know the "Watch Word."

The third Grade is learning the watch word. Last week they learned the 23rd Psalm—W. R.P.

The girls of the Bible Class meet every Monday evening. They are studying the Life of John.

Alfred Lane, Tillie Souvigner and Gordon Hobucket received the three highest standing in the quarterly examination of the 8th grade B class.

Last Saturday evening the Remnant Club gave their entertainment and was interesting to all who were present, especially the Indian War Dance. And Barney Vincents jig.—M. J.

Mr. James Smith was a welcome visitor in the Eight Grade school room on Tuesday afternoon. While there he seemed greatly absorbed in reading the cook book. We were wondering if he was thinking of taking a special course in that line of study.

### Program of the Remnant Club

## INDUSTRIAL NOTES

The farmers took 20 fat hogs to town Wednesday to sell.—F. L. H.

John Boyce has finished two sets of heavy work harness while others who have been there for the same length of time have finished only one. John is a steady worker and is learning his trade fast.—B. W.

The blacksmith boys are fixing up there shop. They have been painting the shop during the last week and the blacksmith boys are getting to be good painters. Boys you want to look in the shop and you will see that the shop is improving every day.—D R.

The engineers are having practice work in the shop which is a great help to them.

Newton Bowman is a new member of the harness shop. We all wish him success.

After a short illness Elmer Burt from Briceland, California died Sunday evening. The funeral service was held Tuesday morning by Rev. Errett of Salem. He was buried in the school cemetery.
