

## ACADEMIC

Mrs. Campbell has changed the way of reciting our spelling lesson in the sixth grade and we like the way she has it.

We are all glad to see Nora Van Pelt, Josie Peone and Lena Charles in school again after a few days stay in the hospital.

The Nesika Club gave an enjoyable matinee Saturday afternoon for the small children and the hospital patients in order that there might not be such a crowd-en house on Monday night when they gave their entertainment. On Monday evening the chapel was filled with the older pupils and people of this vicinity and some from Salem. The entertainment was an exceptionally good one, keeping the audience in laughter through out the performance surpassing most amateur and many professional performances. This club give an entertainment last December.

The club is composed of the following members:

Charles Larsen,	Joseph Teabo,
Adolph Farrow,	Robert Davis,
Peter Seltice,	Robert Cameron,
William Beach,	Joe Dillstrom,
Thomas McCully,	James Sloan,
Maxime Barnaby,	Levi Sorter,
Eugene Williams,	Frank Booth,
Miss Gertrude Brewer, pianist.
